Financial Policy

Thank you for choosing Safe Harbor Animal Hospital. Our primary mission is to deliver the best and most comprehensive veterinary care available for your pet. An important part of the mission is making the cost of optimal care as easy and manageable for our clients as possible by offering several payment options.

Safe Harbor Animal Hospital reserves the right to require payment in full prior to the beginning of your pet's exam or treatment. Payment is due in full at time of service. A finance charge of 1.5% per month (18% per annum) will be charged if any invoice is not paid within 30 days and, in this event, the debt will be assigned to collection. If assigned to collection, the collection fee of 50% charged by the collection agency will be added to your debt. We DO NOT accept American Express cards or checks. We require 48 hours' notice for canceling or re-scheduling appointments. Due to a large increase in clients not showing for their appointments in some cases we may require pre payment in advance to schedule. In the event you do not show for your appointment or are 10 minutes or more late, the pre-payment is kept as a cancellation fee. See full details on our pre pay policy form.

Payment Options:

You can choose from:

- Cash, Visa[®], MasterCard[®] or Discover Card[®]
- Convenient Monthly Payment Options¹ from the CareCredit[®] Healthcare CreditCard
 - o Allow you to begin treatment today and pay over time
 - o Available for any treatment amount
 - o Can be used repeatedly - for your entire family - without having to reapply¹

For some treatments or hospitalized care, prepayment in part or full may be required to begin your pet's treatment. The amount of the prepayment required will be determined on a case-by-case basis. For some treatments or hospitalized care you may be required to sign a health care plan. By signing, you agree that the services outlined may be completed. The health care plan is an estimate and may not include all treatments that may be deemed necessary upon examination and commencement of the included treatments. We will do our best to call and advise you if any additional treatments are needed. **I am aware that no personnel are on site for 24-hour care.**
